Dear Shirley,

I have enjoyed knowing you the past few months, you are the nicest and sweetest girl I ever knew, you have a swell personality, I hope you will never change.

Dear Shirley, \$15.00
It's been fun going
to school with you,
especially going on the ball
trips. Next year you will
be a lot of help to the ball
team, I am sure.

Be good always.

Dedication

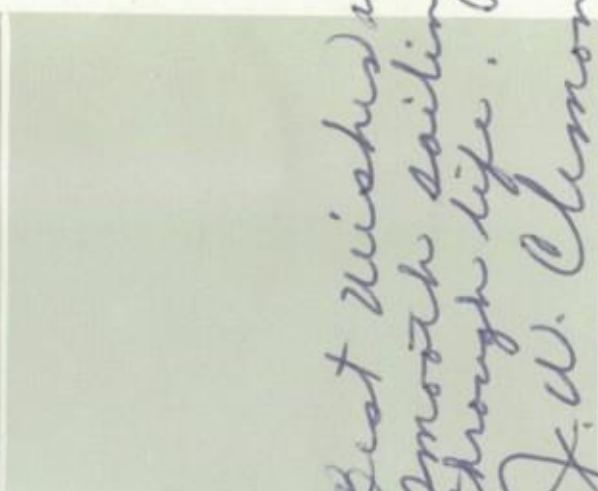

To our Mothers and Dads, who have loved us and believed in us through our entire school life, have overlooked our inconsiderate actions, have sacrificed for us and who now beam on us with pride as we finish our high school course; we, the Senior Class of 1956, lovingly dedicate this issue of the Warrior.

Names

Dear "Kelly",

I want to apologize for kicking you all the time in grade school at Harsville. I don't remember it but I guess I did if you say so. I have really enjoyed being a friend of yours & I will never forget all the fun we've had together. I guess you could "kill" me for getting you to go with Willy but it was fun for a while. Don't ever forget all the fun we had double-dating. I guess that's all over now but we may again someday. Remember "The Curve"? "Rambunctious"?

I think you're a very sweet girl. I hope you will always stay that way. You have a good personality and you aren't at all conceited. HARA I have enjoyed having you along on the ball trips to help me sing. Don't forget our song "Why, Baby, Why"? I hope you have the best in life always.

Love,
"Paint"
